

JUDGMENT / DECISION MAKING

1990 Directory

This directory contains the names and addresses of all members of the Society for Judgment and Decision Making as of January 31, 1990. Telephone numbers, where available, follow the abbreviation PH in each entry. Work and Home phone numbers are indicated by W and H, respectively, if that information has been provided. Electronic mail addresses follow the abbreviation EM in each entry. Note that some electronic addresses were too long to fit on one line. Very long electronic addresses were broken at the @ sign whenever possible. Remember there are never any blanks in electronic addresses so a following line should always be attached without blanks to make a legal electronic address.

If your entry contains errors, please send corrections (via email if possible) to:
